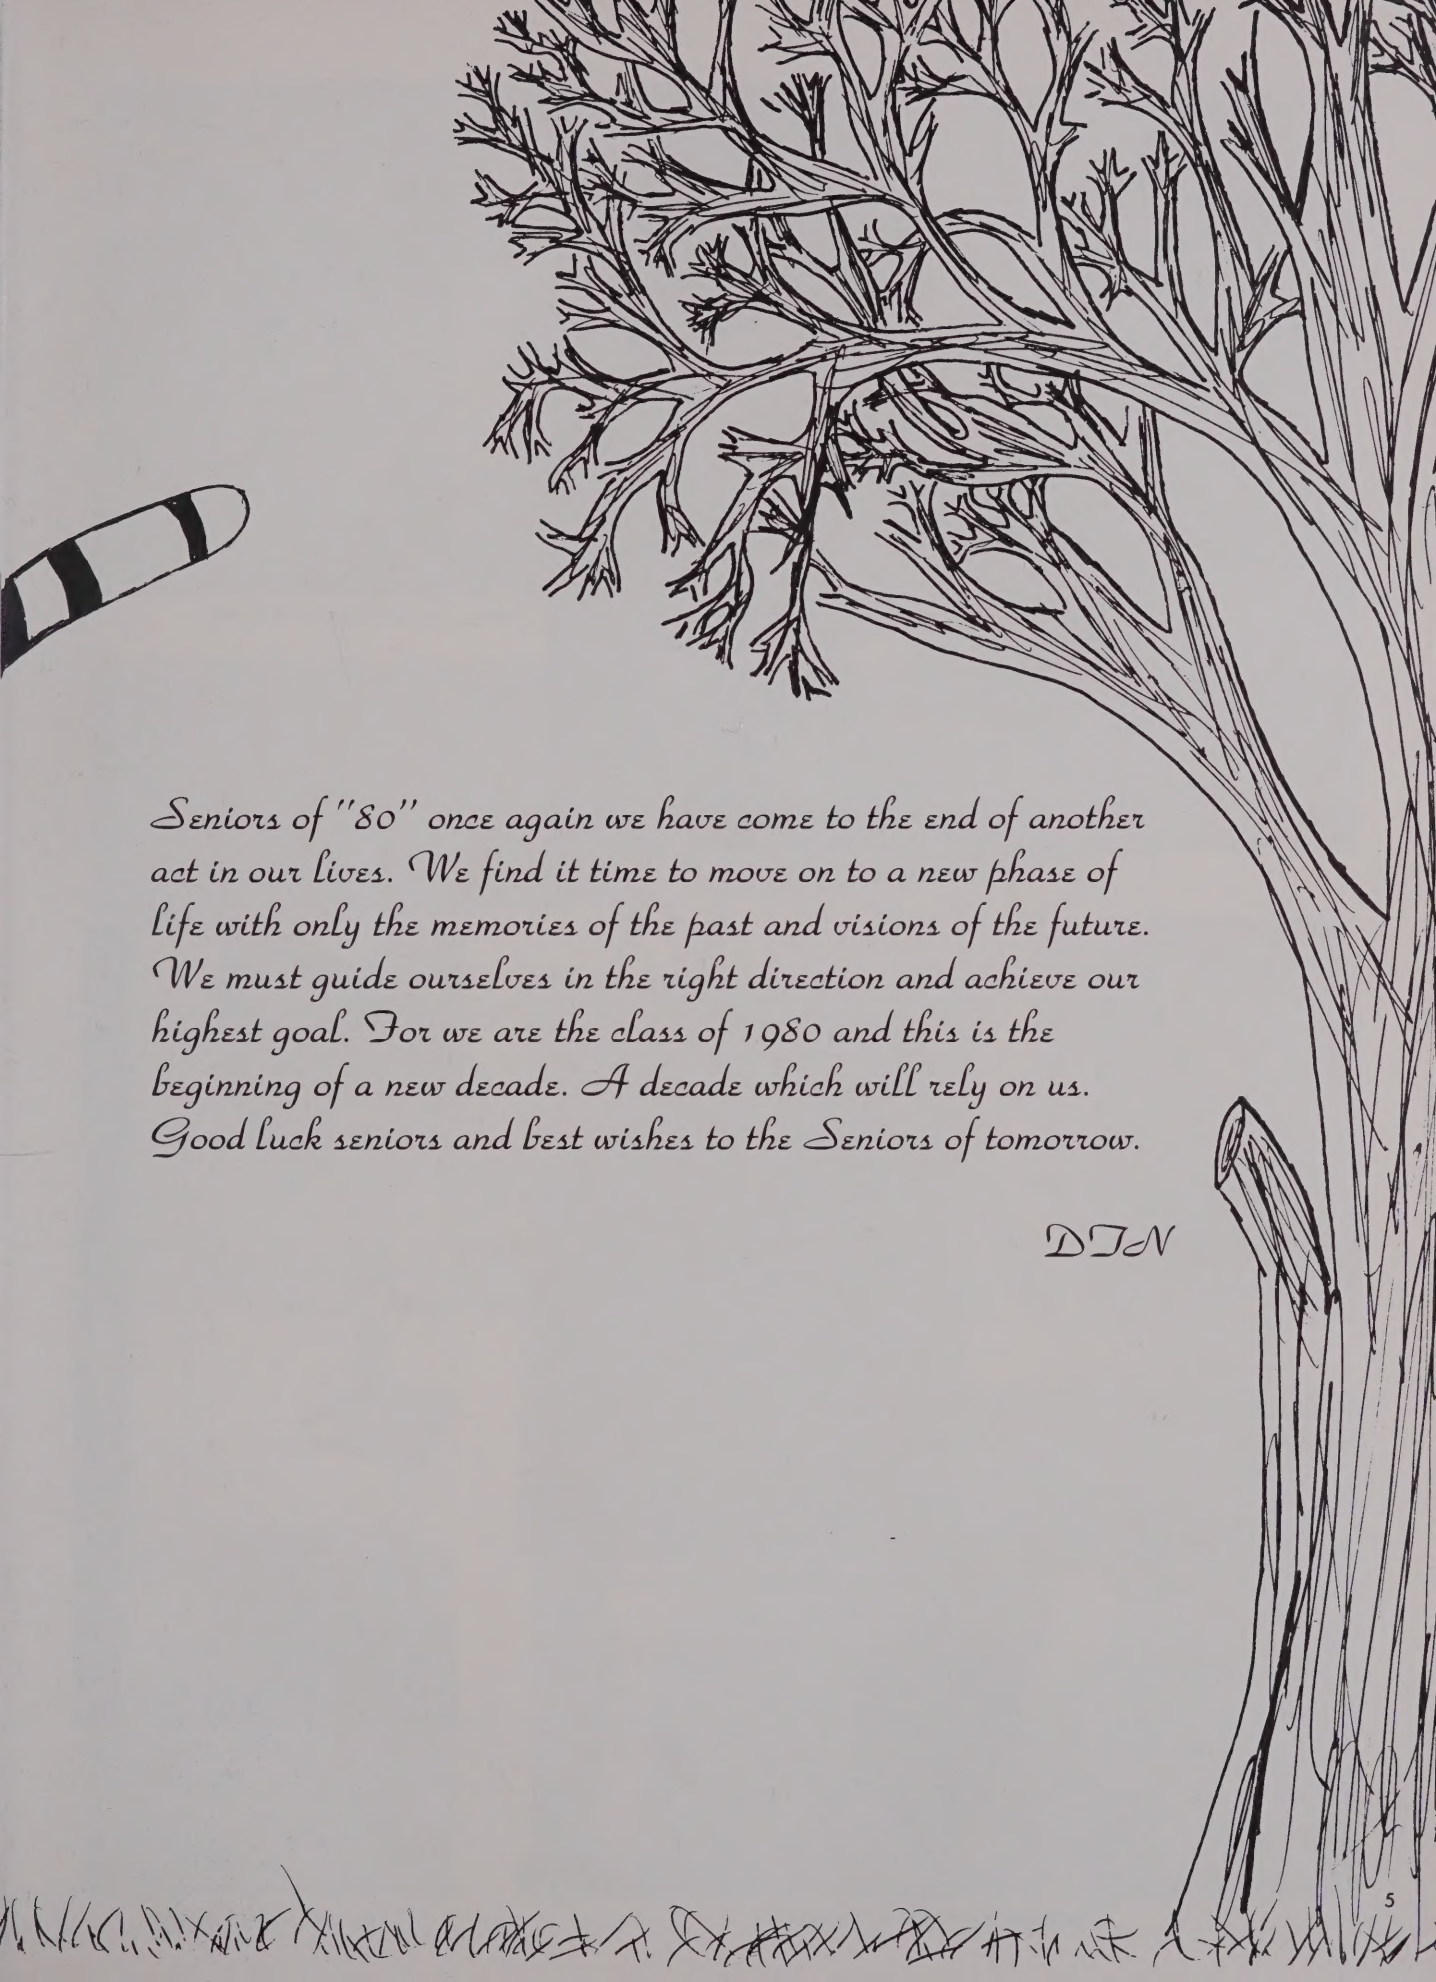
ROXANNE



Seniors of "80" once again we have come to the end of another act in our lives. We find it time to move on to a new phase of life with only the memories of the past and visions of the future. We must guide ourselves in the right direction and achieve our highest goal. For we are the class of 1980 and this is the beginning of a new decade. A decade which will rely on us. Good luck seniors and best wishes to the Seniors of tomorrow.

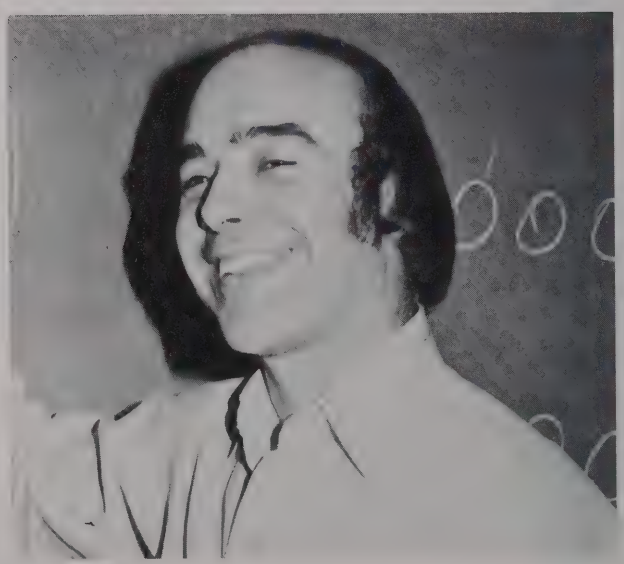
Star Student

Cheryl A. Carlson

Cheryl was The National Merit Semi-Finalist. She was elected "Most Likely To Succeed" by the students for the Yearbook. Cheryl has received a certificate of Merit in National Latin and French competitions in the 10th and 11th Grades. She won 2nd place for her project in the art division of the Language Fair in the 11th grade. She is a member of the Student Council Co-Op. She is the treasurer of the French Club this year. In her 11th grade year she was the treasurer of the Latin Club. She was also in the Bay High Tiger Pride Band in the 10th grade as a member of the Rifle Corps.

Star Teacher



Kenneth J. Harder

Mr. Harder attended Mississippi State University. There he attained a B.S. in math and a minor in science. He has been teaching at BHS for 16 years. He enjoys water skiing and playing the saxophone. When asked how he likes teaching at BHS he replied, "Teaching at Bay High is O.K.! I like the friendliness of the students and the easy goingness of the job — the work gets done but there is no hastle, hustle, or bustle. Most of the time students want to learn and act correctly, but all students need discipline and many times must be made to settle down and do their work. And just when you're feeling down and thinking you're not accomplishing anything a student selects you as the teacher who has influenced and helped her the most — this makes it all worthwhile!"

Kris in her Sunday best, poses for a shot with Cheri and Evelyn.

The Fonz is actually reading?

A typical school day at Bay High in the 1950's or 80's?

A most embarrassing moment, trying to get away without being noticed.

The girls of the 50's at Bay High help each other primp for the next shot.

Do you want a dip?

How did these varments get down from the hills?

Now, does that really look like Jethro and Ellie May?

Diane shows us the latest fashion.

These young'uns really look country!

Best Wishes to the Seniors of '80
